**EXHIBIT A TO CITY OF SAN JOSE (“CLAIMANT”)
AMENDED PROOF OF CLAIM**

This Amended Proof of Claim supplements Claimant’s Proof of Claim filed on 10/21/2019, to add the claim components referenced in paragraphs 1.D. through 1.G. below.

1. Claimant has multiple contractual, statutory and municipal relationships with Debtor. This claim pertains to Claimant’s Utility Users Tax (“UUT”) claims and Franchise Fees. Claimant is submitting these claims as section 507(a)(8) priority claims. If any parts or amounts of these claims are outside of the parameters of section 507(a)(8), then such parts or amounts shall be deemed to be part of Claimant’s “non-priority general unsecured claims.” Claimant’s currently identified UUT and Franchise Fees claims are listed below. Claimant reserves the right to amend, supplement or modify these claims, and to add additional claims, at any time, as additional information or circumstances warrant.

A. UUT – final gas assessment for the period 4/1/14 through 3/31/17 – \$8,550,424.81, including interest and penalties prescribed by municipal code, calculated through 12/31/20.

B. UUT – final electricity assessment for the period 4/1/14 through 3/31/17 – \$1,324,966.35, including interest and penalties prescribed by municipal code, calculated through 12/31/20.

C. UUT - estimated gas and electricity assessments for the period 4/1/17 through 1/28/19, including interest and penalties prescribed by municipal code, calculated through 12/31/20. This amount is subject to Claimant’s audit, but Claimant believes the amount of this assessment will be in the range of \$8,700,000.

D. UUT – additional assessment for under-reporting gross charges (by improperly deducting CA Climate Credits) for electricity for the period 4/1/14 through 10/31/18 – \$8,525,309.39, including interest and penalties prescribed by municipal code, calculated through 5/12/20.

E. UUT – additional assessment for under-reporting gross charges (by improperly deducting CA Climate Credits) for gas for the period 4/1/14 through 10/31/18 – \$707,374.06, including interest and penalties prescribed by municipal code, calculated through 5/12/20.

F. Franchise Fees – assessment for under-reporting gross charges (by improperly deducting CA Climate Credits) for electricity for the period 4/1/14 through 10/31/18 – \$2,575,104.68, including interest and penalties prescribed by ordinance, calculated through 5/12/20.

G. Franchise Fees – assessment for under-reporting gross charges (by improperly deducting CA Climate Credits) for gas for the period 4/1/14 through 10/31/18 – \$247,170.26, including interest and penalties prescribed by ordinance, calculated through 5/12/20.

2. Claimant believes that Debtor has copies of all documents supporting the claims in paragraph 1. These documents are voluminous and contain confidential information. Accordingly, Claimant is not attaching copies of the claim documents here. Such documents are available to Debtor upon request, if necessary, subject to appropriate confidentiality protections, to assist Debtor in reviewing these claim amounts.

3. The claim amounts in paragraphs 1.A. through 1.G. include interest and penalties in accordance with municipal law provisions. These amounts are continuing to accrue. Claimant believes that certain of its agreements and applicable law also require Debtor to pay Claimant's attorneys' fees. Claimant will amend this claim to add attorneys' fees and to add accruing interest and penalties.

4. Claimant will update the above claims to provide claim amounts as of Debtor's 1/29/19 filing date, along with accruing interest, penalties and attorneys' fees. If Debtor does not pay UUT, Franchise Fees and other amounts due to Claimant accruing for the period from and after Debtor's 1/29/19 filing date, Claimant will file requests for payment of administrative claims.

5. Claimant reserves the right to further amend, supplement or modify these claims at any time, as additional information or circumstances warrant.

6. To the extent that Debtor asserts claims against Claimant, Claimant reserves the right to assert that such claims are subject to rights of setoff and/or recoupment, whether or not arising in connection with the claims that are the subject of this Proof of Claim, which rights may be treated as secured claims under the Bankruptcy Code, state and federal laws of similar import, as well as in equity.

7. To the extent that Debtor or any other party takes any action that would give rise to a counterclaim or other rights or claims that Claimant may have against Debtor, Claimant reserves all of its rights. In filing this claim, Claimant does not waive, and specifically reserves, all procedural and substantive defenses to any claim that may be asserted against Claimant by Debtor, by any trustee, or by any other party.

8. The filing of this Proof of Claim is not and shall not be deemed or construed as: (i) a waiver, release or limitation of Claimant's rights against any person, entity, or property; (ii) a waiver, release or limitation of Claimant's right to have any and all final orders in any and all non-core matters or proceedings entered only after de novo review by a United States District Court; (iii) a waiver, release or limitation of Claimant's right to have these matters adjudicated in appropriate administrative proceedings, outside of the Bankruptcy Court; (iv) a waiver of Claimant's right to move to withdraw the reference with respect to the subject matter of this Claim, any objection thereto and/or other proceeding which may be commenced in this case against or otherwise involving Claimant; or (v) a consent by Claimant to the final determination or adjudication of any claim or right pursuant to 28 U.S.C. § 157(c).
